

## Safeguarding Children and Vulnerable People Statement

The safeguarding of children and vulnerable adults is a core element of Marymead CatholicCare's (MCCG's) Mission, aligns with our values, is central to our work and is incorporated in our Practice Framework as a best practice approach.

MCCG recognises its responsibility to uphold and promote the safety and wellbeing of children, young people, and vulnerable adults. This includes our obligations under Child Protection and Safeguarding Legislation and Standards, as well as relevant Vulnerable Adult Legislation.

For the purposes of the MCCG Safeguarding Children and Vulnerable People Policy, the approaches and directions used for children and young people are relevant to working with vulnerable adults.
